Indian Destination Weddings in Georgia — 2027 Packages

Oct 22, 2026 · @三上恭平

Three-day Indian weddings in Georgia's wine country and Tbilisi, coordinated on the ground by OMURICELAND LLC, with Indian catering, a fire ceremony and late-night sangeet.

Why Georgia

- **Easy entry:** Indian guests apply for an online e-visa (about USD 35, usually 5–7 working days). Guests with a valid US, UK, Schengen, UAE or Japan visa enter visa-free. All tourists need travel insurance of at least 30,000 GEL. (Wego)
- **Wine country venues:** whole-estate buyouts in Kakheti, about 2 hours from Tbilisi, with mountain views.
- **It has been done:** an Indian wedding with pheras and varmala has already been held at Tsinandali Estate in Kakheti. (BrideClub ME)
- **Indian food on site:** Tbilisi has many Indian restaurants with Indian chefs, so veg and non-veg Indian menus can be cooked locally.

Note: we check every guest's visa early, because border officers can refuse entry without a valid visa or insurance.
